

# *Be Still and Know that He is God ...!*

*Marvin and Melvin Perry*

Marvin and Melvin Perry are modern-day revivalists who carry an anointing to unlock faith in the hearts of believers for the miraculous and to help the body of Christ fully embrace the privilege and power of living life as beloved and mature sons of God. They are no strangers at Aglow. Although they're twin brothers, they both carry a distinct anointing, with an individual call to preach the gospel to the uttermost parts of the earth. However, as they minister together, in partnership with the Holy Spirit, the manifold grace of God fills the room and healings & deliverances take place.
